

Richmond Hill is a hub for enabling technology, talent and opportunities.

### Where Innovation Meets Opportunity

Richmond Hill is more than a city—it’s a mindset where businesses, people, and ideas thrive. It offers unmatched connectivity and infrastructure strategically positioned at the crossroads of talent, customers, and markets. Grounded in a legacy of innovation and driven by an ambitious vision for the future, Richmond Hill is always Thinking Forward, creating opportunities that inspire growth and success.

#### A Central Hub:

As the geographic centre of the GTA, Richmond Hill connects your business to the entire region through 400-series highways, VIVA rapid transit, GO Transit, and the upcoming Toronto subway extension to Richmond Hill Centre.

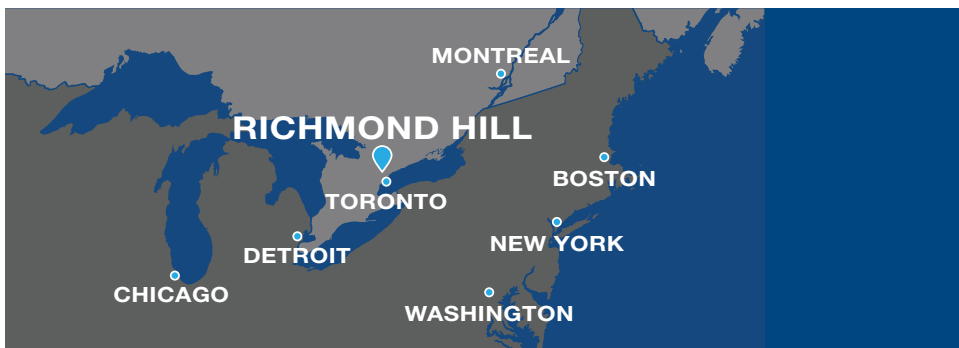

#### Global Reach:

Located just minutes from Canada’s largest airport, Pearson International, we connect your business to the world.

#### Academic Excellence:

With 22 colleges and universities within an hour’s drive, Richmond Hill sits at the intersection of academic brilliance and real-world application.

## Talent That Drives Innovation

Richmond Hill has long been a magnet for brilliant minds. With one of the most educated populations in Canada, our workforce isn't just prepared for the future—it's creating it.

### Knowledge Workforce:

79% of residents aged 25–64 hold post-secondary education, and we boast the highest number of STEM graduates per capita in Canada.

### Strong Projected Growth:

By 2041, our workforce will grow from 81,500 to 137,000.

### Talent Destination:

Ranked among Canada's top four cities for attracting and retaining skilled workers (Conference Board of Canada).

## An Innovation Ecosystem

Richmond Hill is home to a vibrant ecosystem that connects businesses, academics, and government to tackle challenges and seize opportunities together.

**Next-Generation Technology Hub:** With over 5,000 companies designing cutting-edge technologies, innovation is woven into our DNA.

**Collaborative Growth:** Initiatives like the Centre for Local Innovation and Collaboration (CLIC) allow businesses to access incubators, investors, and Canada's Innovation Corridor's \$360B GDP.

**Business-Friendly Environment:** Competitive development rates, low taxes, and the lowest labour costs among G7 countries give businesses a clear advantage.

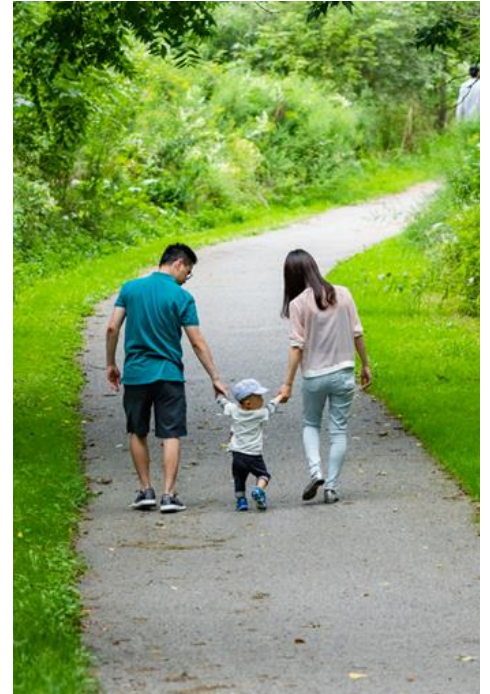

➔ **Whether you are relocating or looking for the most innovative talent, products and services, Richmond Hill is your top choice.**

## A Balanced Lifestyle

Thinking Forward isn't just about work; it's about creating a city where people and businesses can grow together. Richmond Hill offers a rare blend of natural beauty, urban sophistication, and cultural vibrancy.

**A City in Harmony with Nature:** With 170 parks, 167 km of trails, and 689 hectares of natural areas, our residents and workforce enjoy unparalleled quality of life.

**Modern Living:** From young, diverse talent to rich cultural experiences, Richmond Hill is a city where innovation thrives professionally and personally.
